# Pool Rules & Etiquette

---

## Pool Rules

---

To help keep everyone safe and happy, please remember:

- Shower before swimming – it helps keep our water sparkling clean.
- Skip the swim if you feel unwell or have an open wound.
- Babies must wear swim nappies at all times.
- Be respectful to our coaches, lifeguards, and fellow swimmers.
- Avoid swimming on a full or empty stomach.
- Walk, don't run! The poolside can be slippery.
- No mobile phones or photography – for everyone's privacy and safety, please do not use phones or take photos/videos in the changing areas, poolside, or around the pool. This rule helps protect and safeguard all our swimmers, especially children.

## Lane Etiquette

---

- Choose a lane that matches your speed.
- Take care when entering an occupied lane – Sit at the side and hang your legs in the water to signal your intention to join, and wait for swimmers to complete two laps before starting to swim.
- Split the lane for two swimmers; circle swim when there are three or more.
- Rest in the corner of the lane so others can turn easily.
- Avoid wide strokes like butterfly when lanes are busy.
- Use equipment (e.g. training floats) safely and be considerate of others.
