## Member Statement

---

"I have attended the Birtley Baths since they opened in 1972. Thank goodness they have now opened as the Birtley Community Pool. As an 86 year old I still manage 20 lengths of the pool, albeit with a new style all of my own. Before leaving the pool I enjoy total relaxation floating vertically in the deep end, enjoying the sounds of excitement and mischief coming from the adjacent kid's pool. My old GP always made a point of saying to his older patients, that regular visits to the baths, if possible, was the best medicine available in Birtley. I now know very much what he meant and totally agree."

## Our Google Reviews

Since reopening as Birtley Community Pool in September 2024, we've been blown away by your support online.

- 49 Google reviews (Sept 2024 – Dec 2025)
- 46 x 5-star reviews
- 3 x 4-star reviews
- Averagerating: 4.94 out of 5

Your reviews help more people discover the pool and support our future funding and sustainability. Thank you for taking the time to leave such positive feedback.

# Member Statement

"I used to attend the Birtley Pool when it was run by the Council and when I took on my membership I paid a certain fee which I cannot remember what it was but when I reached the age of 60 the fee went down to £19 per month, when Birtley Pool closed I drove from Birtley to Blaydon which was not a short distance, then the crunch came when Birtley Community Pool was about to open I had to make a decision did I stay with Blaydon baths at a cheaper rate or move back to Birtley to support the Community. My heart was telling me I needed to Support Birtley and signed up for the monthly membership and have been coming ever since.

It is a pleasure to attend I love the friendliness of all the staff, they are always willing to help me as I it seems a strange remark to make but I do not swim I come to exercise in the pool and need the assistance of dumbbells and a woggle which the staff get for me often before I ask now.

I don't have the best of health both mentally and physically and find coming to be pool a tremendous benefit in every way possible. A chat at reception either on my way in or on my way out. When I spoke to Lewis (Senior Operations Manager) once he thanked me for staying at the Community Pool I thought that was a lovely thing to say. These staff may be the only ones some people see at the pool in a day and I hope like me they appreciate and feel the benefit of such a caring and friendly team of staff."

- Use our car park or alternative nearby public car parks, such as the large parking area near Morrisons during busy times (Mon to Fri 3–7pm).
- Do not park in the residential streets by the pool.
- Park within designated bays in the pool car park, please do not take up two spaces.

Thank you for helping us keep our community respectful and welcoming!

## Statement from Local Councillor Joe Sowerby

---

"It has been brought to the attention of local councillors that some users of Birtley Community Pool have been parking on the surrounding streets. We understand that this is an issue for residents, however the pool has provided sufficient parking options for pool users, but some are personally choosing to ignore this advice and causing issues for residents. Whilst infuriating there is little to be done except remind users not to park in residential areas, where possible we will try and come up with solutions if the issue keeps happening."

— Cllr Joe Sowerby, Birtley and Barley Mow for Gateshead Council
